

Subject: Preliminary Exploring Early Childhood	Task Number: 1
Type of Task: Oral debate	Coordinating Teacher: Mrs Ridley
Date Issued: Monday 26 th February, Week 5, Term 1, 2024	Date Due: Monday 18 th March, Week 8, Term 1, 2024
Total Marks: 15	Weighting: 35%

Submission Instructions: *Students are to submit all assessment tasks through the Assessment Submissions Tab on the MS Team prior to 9.00am*

Task Context:

In this topic you have learnt about pregnancy, tests during pregnancy, the developing baby, preparing for birth, labour and birth, postnatal issues and contemporary issues related to Pregnancy and Childbirth.

In this task you will be required to use the knowledge gained from studying this topic in class in addition to your own independent research to answer questions about teenage pregnancy.

Syllabus Outcomes:

- 1.1 analyses prenatal issues that have an impact on development
- 2.1 analyses issues relating to the appropriateness of a range of services for different families
- 6.2 critically examines all issues including beliefs and values that may influence interactions with others

Task Description:

You are required to write and present a speech focused on teenage pregnancy.

You need to;

- demonstrate your knowledge and understanding of teenage pregnancy by analysing a range of issues surrounding the topic (eg, infant mortality rates, physical and emotional risks to mother, impacts of teenage pregnancy on education, marriage, costs to the community etc)
- “Teenage mothers are more likely to suffer from post natal depression and other mental health issues compared to mothers over the age of 18 years.”
Choose for or against his statement and justify your opinion.
- use reliable data and current information/statistics to support your conclusion
- provide a reference list outlining the sources of data used

Your written speech needs to be submitted by the due date and time, and the verbal presentation will take place during class on Wednesday 19th March, period 4.

Criteria for Assessing Learning

You will be assessed on your ability to:

- Analyse information from a range of sources
- Justify an opinion on teenage pregnancy using research and data

HSC Key Verbs

Analyse

Identify components and the relationship between them; draw out and relate implications

Justify

Support an argument or conclusion
