IPROWD

IPROWD is a specialist training program to assist Aboriginal people to gain entry to the NSW Police Academy at Goulburn. This year three students, Tyaunna Goolagong, Nataya Brandy and Kenny Dodds were selected and enrolled in the IPROWD course in Dubbo to undertake a Cert III in Community Service. On Friday 19th February both Tyaunna and Nataya attended an IPROWD open day in Dubbo. On the day the students were introduced to The Governor of NSW, David Hurley, Deputy Premier of NSW, Troy Grant, Mark Coulton and the

Deputy of Police. The Governor David Hurley spoke about his passion for the IPROWD program, as he regularly participates in boxing training sessions at the Redfern IPROWD program. The Condobolin students attend classes in Dubbo every Tuesday and a big thank you must go to Kevin Read (Police Aboriginal Liaison Officer) and Sheree Brandy for transporting the students on a Tuesday to Dubbo.

SCHOOL VISITORS, INCLUDING PARENTS AND CARERS, ARE REQUESTED TO SIGN-IN AT THE FRONT OFFICE

Equipment List for Condobolin High School 2016

ALL students will need pens, pencils and a ruler.
Optional textas, coloured pencils, highlighter.
They also require a fx-82AU Plus or Plus II Calculator
these are available from the front office for \$25.30.

Stage 4 (Year 7 & 8) 2016

Music Book – ruled book with manuscript pages
A4 Visual Arts book – blank
D&T – 1 x 64 page A4 book
English – 1 x 96 page A4 book
Geography – 1 x 96 page A4 book
History – 1 x 96 page A4 book
Maths – 1 x 128 page A4 book
Science – 1 x 128 page A4 book
PDHPE – 1 x 64 page A4 book
MCAT/ASP – 6 x 96 page A4 books

Stage 5 (Year 9 & 10) 2016

English – 1 x 96 page A4 book
Geography – 1 x 96 page A4 book
History – 1 x 96 page A4 book
Maths – 1 x 128 page A4 book
Science – 1 x 128 page A4 book
PDHPE – 1 x 64 page A4 book
Electives – 3 x 96 page books (1 for each elective)
If doing Music or Art: Music - Music Book – ruled book with manuscript pages, Visual Art - A4 Visual Arts book – blank
MCAT/ASP – 6 x 96 page A4 books + electives

Year 11 & 12 2016

Students can use either a folder with loose leaf paper or a book for each subject. Students will need at least 6 x A4 128 page books if using books.

2016 ICAS International Competitions and Assessments for Schools

Self Select Students have been enrolled in the following competitions. If any other students wish to participate please let Ms McCallum know at least 3 weeks before the competition dates.

Science	Tuesday 31st May
English	Tuesday 2nd August
Mathematics	Tuesday 16th August

Clothing and Accessories

Blue Polo Shirts are \$35.00

P & C

Our next meeting is on
Tuesday 29th March
5.30pm School Library

All Welcome to Attend

Principal's Report

Condobolin High is starting to settle into a steady routine as we head towards the middle of Term 1. Our year 12 students are working well as they prepare for their half-year examinations scheduled for later this term and Year 11 are acclimatising to the new rigours of senior school. I am continually inspired by the students and staff who have achieved such a great deal in this first half of the term. We are very proud of the renewed focus on quality teaching and learning. There is nothing more important than students achieving academic success.

A number of new initiatives have begun in earnest this year. The Self-Select program has received significant positive feedback from the students, staff and parents. The general consensus being that students are able to work and learn in an environment where like-minded peers surround them.

This year the welfare and PBL team have been allocated a timetabled lesson each to focus on improving student wellbeing, welfare and improving the learning outcomes for students through positive behaviour. A significant amount of planning has gone into these weekly lessons and the feedback from these lessons has been encouraging.

Improving student learning outcomes has been a focus in 2016 by developing curriculum teams. These teams will look at engaging ways to improve Literacy, Numeracy, Technology, the Gifted and Talented and improving Aboriginal Education. The focus being that all students have improved opportunities in these key areas.

I would like to acknowledge the work that Mrs Riach is doing as Girls Adviser and as the STEM (Science, Technology, Engineering, Maths) coordinator. Mrs Riach has been finalising details for a weekly school visit from the community health nurse. Organised for the girls to have a meeting room where they can

relax, listen to music and complete STEM activities. March 8th is International Women's Day and two students will be presenting information on Mongolia to the WPRD and CWA groups. Parents are invited to the schools International Women's Day function. Students and parents have the ability to attend the "Women in Science symposium" via live feed from Sydney. A break in the middle of the symposium will allow time to enjoy a morning tea. Students participating in STEM meet in the library regularly to complete activities. Questacon is visiting on the 11th March for free hands on development workshops with Year 7 and Year 8. Students will have sessions of 1 1/2 hours to work in small groups to solve problems and challenges.

Finally can I thank Miss Sealey for taking on the role of SRC coordinator. The Student Representative Council plays a very important role in allowing students to voice their opinions, share their concerns and promote school spirit. The Council gives students the valuable and rewarding opportunity to show leadership by identifying areas for improvement and influencing school decision making on many levels, as well as working to support charities. Miss Sealey is currently conducting elections for the SRC and can I encourage all students to seriously consider nominating. The new SRC will be presented to the school at the end of year assembly.

We have had a number of parents either phone or drop in to ask us a variety of questions over the last few weeks. Invariably parents/carers feel apologetic for taking our time with minor issues. We would like to encourage all parents/carers to approach us with any minor concern that you may have to ensure that these minor issues do not become major issues and we are able to maintain and improve the relationship the school has with all community members .

Jeff Ward
Principal

All Welcome

Tuesday 15th March

Meet & Greet

Parents and Carers of current students and incoming students for 2017

BBQ

4.00pm—6.00pm

You're Invited!

P & C Meeting

Last Tuesday we had our first meeting of the Parents and Citizens Association for the New Year. At these meetings all positions were declared vacant. The Annual General Meeting was held and new members were elected as executive members. I would like to take this opportunity to thank all outgoing office bearers for their service and welcome all new members to their roles. I would like to extend an enormous thank you and fond farewell to our outgoing Treasurer, Karyn White. Karyn has been a wonderful advocate for the school and has worked tirelessly to support the school community in her role as Treasurer for many years. It is with pleasure that I welcome the new office bearers of

the P & C for 2016. President Mr Craig Coleman, Vice President Jenny Kiss, Secretary Marion Packham and Treasurer Jo Tomlinson. I look forward to working with you over the course of the year. I welcome your involvement with the school and value the role the Parents and Citizens Association plays in supporting the leadership and development of the school. It is through productive partnerships such as these that we are able to achieve the best learning outcomes for our students and children.

Jeff Ward
Principal

Year 11 Hospitality

Students in Hospitality are concentrating on their cuts in vegetables this semester with emphasis on making food look amazing on the plate with all portions being equal.

They are making food for themselves to try, to experience new flavours, as well as getting prepared for the catering for our formal assembly. Students in Year 11 will be looking for catering opportunities this year to showcase their learning in the classroom.

Head Teacher Secondary Studies
Food Technology/Hospitality Teacher

Sports Report—Lachlan Cup Cricket

Last week Condobolin High Schools Cricket team competed against Cowra in the Lachlan Cup cricket competition. Condobolin won the toss and elected to bat.

After a strong start from Cowra, Noah Swadling and Jackson Keeley steadied the scoring with a solid partnership. Melvin Quin was determined to increase the score with quality batting, at times finding the boundaries. Melvin topped scored with 22. Condobolin made a promising score of 70.

Cowra started the chase strongly until Mitchell Jolliffe came into the attack. Mitchell was able to slow the run

rate down with two wickets. He was supported with strong fielding by Chloe White.

Unfortunately Cowra chased down the score after 15 overs.

Our next game will be a home game against Canowindra.

Sarah Norton
PDHPE teacher
Sports Coordinator
Year 11 Advisor

Year 12 Contruction Students

Year 12 Construction students have participated in a week-long industry workplace with local tradesperson Dave King.

Their main task was to assist with a major house renovation. One of their tasks was to convert an old walk-in pantry into a new modern looking laundry.

This required them to remove some existing walls and to completely remove the flooring of the existing room; including the structural joists and bearers. The students then had to manufacture and replace the floor foundations, level the floor and then install waterproofing material for the floor and walls to meet the needs of a laundry.

After learning these skills the students then transferred these skills into renovating a large bathroom.

They also assisted in levelling a sunken kitchen floor, gyprocking walls and building kitchen cabinets.

A massive thank you to Dave King for his time helping to up-skill our students from Condobolin High School.

Dale Gallagher
Industrial Technology/Construction

The UNSW ASPIRE Study Centre

The Condobolin Study Centre is now into its third year of operation and is the only after school tuition service provide by the ASPIRE group in the country.

Last year ASPIRE donated over 15 pizza meal deal vouchers to students who held an active attendance of at least 50% of the term.

Studying at the Condobolin Study Centre is not only more fun than studying alone; but is also more effective thanks to supportive learning environment and the free assistance provided.

Join us Wednesday and Thursdays afternoons from 3:30 - 5:30 pm as we kick off 2016. Don't miss out on the free snacks, Wi-Fi and the chance to hang out with lovely people.

Dale Gallagher

Assessments at Condobolin High School in 2016

There have been a number of changes in terms of assessments at Condobolin High School in 2016. Part of my role as assessment coordinator has been to rewrite the assessment policy and implement a number of changes across the school.

Students have all been issued with Assessment Booklets; these booklets are also available on the Condobolin High School Website, for each Year Group. These booklets are an important document for every child. They outline the assessment requirements for each subject across every year, outline the procedures to follow in terms of applying for an extension or misadventure and include a copy of the Board of Studies key terms.

Some important information for parents and students:

- Each assessment task requires a minimum of two weeks' notice to be given. Students are expected to sign a receipt of task at the time the task is issued. If a student is away from school it is their responsibility to seek out any missed assessments or classwork.
- No more than TWO assessment tasks should be due in each week for any year group. Please contact myself at school if this is not the case for your child.

- For any change of date of assessment your child should receive a notification in writing advising of the new date.
- All submitted assessments and quizzes are to be returned within two weeks. Again please feel free to contact myself if this is not occurring, and the assessment committee will be able to investigate the issue.
- If your child cannot attend school on the day of an assessment, or has been unable to complete an assessment due to reasons including – Sickness, Carers Responsibilities, Illness in the family, they must apply for either an Extension (If before the due date) or Misadventure. They need to collect these forms from Head Teachers and return with appropriate documentation to myself for processing.

We are hoping that by implementing new policies and procedures, that assessments at Condobolin High School, become more streamlined and meaningful for our students.

Miss Melissa Rees
Assessment Coordinator

Careers

A birth certificate is a very important form of identification for a person. As a young student it is one of the few forms of identification that can be used to obtain a TFN (Tax file number), USI (unique student identifier), bank account, passport and licence. NSW services now provided by the Lachlan Shire Council, can provide birth certificates. I have the paperwork needed to be completed to obtain a birth certificate and then taken to the Shire Office.

Work Experience/Placement

Presently both Fiona and myself are collecting paperwork for Work Experience in Year 10 and Work Placement forms for Yr 11 and 12 VET students. Many students already know where they want to go for work experience and placement. This can be organised as soon as the paperwork is handed in. Even if your child does not know where he/she wants to go for Work Experience we still need the signed paperwork returned as soon as possible and will work with your child over the next term to determine their Work Experience placement.

Some students have enquired about Work Experience in the Defence Forces. There are numerous Work Experience programs listed for all aspects of the Defence Force. They will provide an opportunity to get a taste of the job as well as learn more about the ADF and Public Service.

Experts Predict Jobs in the Future

While it's difficult to pinpoint which roles will be most in-demand over the next decade and beyond, industry trends show where opportunities will likely lie. The early prediction is that health care and social assistance, education and training, technical services and construction, will provide more than half of all new employment opportunities between now and 2019. Read what industry experts are saying is driving growth in these key areas.

Sydney University – Significant Changes to Admission Requirements

Students currently in Year 10

Sydney University is introducing mathematics course prerequisites for some courses from 2019 to 'help students thrive in their science, technology, engineering and mathematics related degrees and prepare them to tackle future career challenges'.

Students will need to achieve Band 4 in the NSW Higher School Certificate (HSC) Mathematics (not General Mathematics) to enrol in a range of courses, including economics, commerce, engineering and IT, psychology, pharmacy, veterinary science and science.

UMAT 2016

For dentistry, medicine and health science undergraduate level entry.

Register by 3 June and Testing on 27 July.

<https://umat.acer.edu.au/>

Cadetships in Business and Technology in Sydney

Applications for the Business Cadetships Program run by Professional Cadetships Australia open on 7 March and close on 11 May. Year 12 students apply online at www.businesscadetships.com.au

Under the Program, UBS will continue to offer cadetship opportunities across the firm.

Applications for the Engineering & Technology Cadetships (ETCAD) Program will open on 26 April. The 2016 Program provides Year 12 students with the opportunity to apply for a Technology Cadetship at Westpac. On completion of their cadetship, Technology Cadets are well-placed to pursue a career in IT and in business. Information on the ETCAD Program may be found at www.etcad.com.au

Applications close on 17 June.

Canberra Royal Show

This year the Cattle Show Team attended the Canberra Royal Show from 23rd February to 28th February. It was an intense experience for all involved with a combination of the heat, humidity and length of Show wearing on all. The standout of the Show was Leisl O'Halloran who exhibited her own heifer Lilydale Mabel. Leisl spent countless hours on her animal and was able to claim a second place ribbon in her heifers class. Hamish also exhibited his heifer Lilydale Penny and was able to take home a third place ribbon. Roy, our Limousin steer, placed 7th on the hoof, sold for a sound price and hung up reasonably well. Congratulations to the students who spent many days working on Roy throughout the last few months. The shorthorn heifer exhibited also did well placing second in her class. The winner of that class then went on to win supreme champion shorthorn exhibit, so she did well to stand up next to her in the ring.

All students participated in the paraders competition throughout the Show. Sam and Zane persevered with a very stubborn Roy but were unable to place on the day. Felicity, Linzi and Jack had some last minute decisions on which cattle to lead and were unable to find their form on the day. Sarah led well on the day, placing fifth in her heat. Congratulations. Our 'junior' school member Tara also placed with the assistance of the High School kids and many thanks go to the students for their time and effort assisting her.

Congratulations to all again, stay tuned next time for news of the arrival of our Shorthorn heifer.

Melissa Hughes

ANZAC DAY 2016

Dear Sir or Madam

You are cordially invited as a guest of Condobolin High School to our ceremony on Thursday 7th April 2016 at 10:00 a.m. Please assemble in the High Shelter prior to 10:00 a.m.

Morning Tea will be served following the service.

Dear Parents and caregivers,

A review of the school uniform in 2015, highlighted the need for students to take greater pride in the wearing of the designated school uniform. A high standard of uniform reinforces a strong and positive school profile and reputation in the wider community. Uniforms also make it much easier for staff to identify any person on school premises who should not have access to students. The designated uniform for students at Condobolin High School is endorsed by the school community through the Condobolin High School Parents & Citizens (P&C) Association.

All parents are asked to support the school's uniform policy by ensuring that their children wear the designated uniform as outlined in the student handbook. Parents are asked to note these requirements and to ensure that their sons and daughters conform and take pride in the detail of their dress.

- Correct school uniform must be worn to and from school unless the school authorizes the wearing of non-uniform for a specific purpose.
- Excessive jewellery should not be worn because of risk of injury or loss.
- Cooperation is especially sought in avoiding:
 - Brand-named or other coloured jumpers and sloppy joes
 - Non CHS shorts
 - Black tights

The school appreciates the support of the parents in ensuring that the uniform reflects the high standing of this school in the community.

- Students who do not wear the designated uniform can expect a detention.
- Students who continue to fail to comply with the uniform code will be required to present for interview with their parents.

Should you have any concerns regarding this policy and its implementation, as outlined, it is important that you approach the school and discuss your concerns before it becomes an issue for your son or daughter.

If your child is not able to wear correct school uniform for one or more days, you will need to provide a note explaining why this is not possible and the timeframe required to overcome the problem. Such notes are to be handed in to the **Deputy Principal**. Your child will then be issued with a uniform pass which can be shown to any teacher. Failure to bring such a note could result in a school detention.

Some students attempt to interpret the designated uniform in their own interests. This results in an inconsistent uniform which, in turn, draws negative comments from parents, teachers and the wider community. Acceptable school dress is not to be a matter of individual interpretation. **If parents are having difficulty with the provision of a uniform, please contact the Principal.**

Education &
Communities

Compulsory School Attendance

Information for parents

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

What are my legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age. The *Education Act 1990* requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the Board of Studies, Teaching and Educational Standards for homeschooling.

Once enrolled, children are required to attend school each day it is open for students.

The importance of arriving on time

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An *Application for Extended Leave* may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.

Compulsory School Attendance—continued

My child won't go to school. What should I do?

You should contact the principal as soon as possible to discuss the issue and ask for help. Strategies to help improve attendance may include a referral to the school's learning and support team or linking your child with appropriate support networks. The principal may seek further support from the Home School Liaison Program to develop an Attendance Improvement Plan.

What might happen if my child continues to have unacceptable absences?

It is important to understand that the Department of Education and Communities may be required to take further action where children of compulsory school age have recurring numbers of unexplained or unjustified absences from school.

Some of the following actions may be undertaken:

- Compulsory Schooling Conferences

You may be asked, along with your child, to attend a Compulsory Schooling Conference. The conference will help to identify the supports your child may need to have in place so they attend school regularly. The school, parents and agencies will work together to develop an agreed plan (known as Undertakings) to support your child's attendance at school.

- Application to the Children's Court – Compulsory Schooling Order

If your child's attendance at school remains unsatisfactory the Department

may apply to the Children's Court for a *Compulsory Schooling Order*. The Children's Court magistrate may order a Compulsory Schooling Conference to be convened.

- Prosecution in the Local Court

School and Department staff remain committed to working in partnership with you to address the issues which are preventing your child's full participation at school. In circumstances where a breach of compulsory schooling orders occurs further action may be taken against a parent in the Local Court. The result of court action can be the imposition of a community service order or a fine.

What age can my child leave school?

All New South Wales students must complete Year 10 or its equivalent. After Year 10, and up until they reach 17 years of age, there are a range of flexible options for students to [complete their schooling](#).

Working in Partnership

The Department of Education and Communities recognises that working collaboratively with students and their families is the best way to support the regular attendance of students at school.

We look forward to working in partnership with you to support your child to fulfil their life opportunities.

If a student misses as little as 8 days in a school term, by the end of primary school they'll have missed over a year of school.

Further information regarding school attendance can be obtained from the following websites:

Policy, information and brochures:

<http://www.schools.nsw.edu.au/attendance/compulsory-schooling-attendance.asp>

The school leaving age:

<http://www.schools.nsw.edu.au/attendance/compulsory-schooling-attendance.asp>

Do you need an interpreter?

Interpreting services are available on request, including for the hearing impaired. The Telephone Interpreter Service is available 24 hours a day, seven days a week on 131 450. You will not be charged for this service.
